

UNDERTAKINGS BY FARSET LABS AND ITS DIRECTORS TO PACE PLC AND LATENS SYSTEMS LIMITED

Each of us in our capacity as directors of Farset Labs on behalf of Farset Labs and in our individual capacities, give the following undertakings to Pace plc ("Pace") and Latens Systems Limited("Latens") in relation to the potential export or copying by [Member] of Latens and Pace confidential information onto property or systems which Farset Labs owns or has control of directly or indirectly:

- 1 We will exclude [Member], with immediate effect and pending the outcome of your investigations, from Farset Labs premises and from using or accessing any computer servers or equipment retained therein or over which we have control.
- 2 We will not communicate directly or indirectly with [Member] in relation to this issue, pending the conclusion of your investigations.
- 3 We will provide in the next 2 days a description of:
 - (a) The network architecture at Farset Labs including the way electronic information is:
 - (i) communicated from outside Farset labs to users and/or members using the Farset Lab facilities through the address "farsetlabs.org.uk" including unit1.farsetlabs.org.uk";
 - (ii) stored by individual members or users using any of Farset Labs' facilities or equipment.
 - (b) The capability of any server, router or other equipment within that architecture to hold information, how such information is held, the maximum storage capability, and the time for which the information is held.
 - (c) The security arrangements at Farset Labs relating to electronic information, media and equipment including:
 - (i) storage areas allocated to users or members;
 - (ii) access by any users or members or any third parties to other individuals' equipment or to Farset Labs equipment;
 - (iii) access by Farset labs directors to users or members' individual equipment.

When providing the above information, we will confirm that it is correct in all material details and has been correct over the last 12 months.

- 4 We will carry out in the next 7 days an audit of such systems as are described in 3a) and b) above and confirm in writing:
 - (a) either that they hold no information belonging to Latens/Pace plc ;
or
 - (b) provide a list of such information and where it is held; and
 - (c) set out any specific areas where this could not be verified and why.

- 5 We each confirm that we have not accessed [Member]'s equipment and accessed or viewed or copied any information on such equipment at any time.
- 6 Any confidential information identified as belonging to Pace or Latens and within our control will be not be used or shared or provided to any third parties and will be immediately returned to Pace or Latens or destroyed at Pace/Latens' option.
- 7 We will provide within the next 7 days a log of the time, size and description of any electronic information flow from any Latens IP addresses: 212.250.153.224 to 212.250.153.254 (inclusive) to IP address unit1.farcetlabs.org.uk on Wednesday 13 June 2012
2. We confirm that any attempt to send information to the IP address unit1.farcetlabs.org.uk (including IP address 89.185.154.122) on Wednesday 13 June from any one or more of the Latens IP addresses above has left no copy of information belonging to Latens or Pace on any part of the Farset Labs systems.
- 8 We confirm that we will use our best endeavours to ensure that no relevant information to these investigations is deleted or modified in the course of the above investigations or otherwise.
